MR. PRESIDENT,

On the 10th day of November, 1975, the General Assembly adopted its Resolution 3379 (XXX) in which it "recalled its resolution 1904 (XVIII) of 20 November, 1963, proclaiming the United Nations Declaration on the Elimination of All Forms of Racial Discrimination, and in particular its affirmation that "any doctrine of racial differentiation or superiority is scientifically false, morally condemnable (and) socially unjust and dangerous" and its expression of alarm at "the manifestations of racial discrimination still in evidence in some areas in the world, some of which are imposed by certain Governments by means of legislative, administrative or other measures," recalling also that, in its resolution 3151 G (XXVIII) of 14 December, 1973, the General Assembly condemned inter alia the unholy alliance between South African racism and Zionism.

1. Determines that Zionism is a form of racism and racial discrimination."

Ten years later on the Tenth Anniversary of the said resolution, namely, on the 10th day of November, 1985, Zionist leaders in the United States, together with Gentile Zionist Mercenaries, such as Senator D'Amato, Senator Moynihan, and the former United Nations Ambassador Jeane J. Kirkpatrick made a demonstration in front of the United Nations, together with Benjamin Netanyahu, the Fascist, racist representative of the Zionist, racist regime, and held a meeting inside the United Nations to malign the General Assembly and the majority of United Nations members for adopting such a resolution.

We were surprised that Ambassador Vernon Walters took part in the circus arranged by Benjamin Netanyahu. We assume that some Zionist lackeys in the State Department and/or The White House advised him to do so, he not knowing the truth about Zionism. We hope that Ambassador Walters will find the time to read this statement so that he will know the truth about Zionism and never again join such ridiculous Zionist demonstrations.

In full page advertisements and articles published in the American Press, the Zionists claimed that 'Zionism-Racism' is a 'Canard'. Mrs. Kirkpatrick published an article in the New York Times on November 11, 1985, under the title, "The U.N.'s Day of Infamy".

We wish to declare, Mr. President, that we agree with the following statements made by Mrs. Kirkpatrick:

1. "Ten years ago, on November 10, 1975, the U.N. General Assembly adopted a resolution branding Zionism as racism. Adoption of this resolution was tantamount to declaring Israel an illegitimate state based on an illegitimate philosophy."

2. "In the language of the United Nations, 'racism' is the ultimate political crime, the ultimate violation of human rights. A state based on racism is, then, an outlaw state unworthy of membership in what is euphemistically termed the 'family of nations.' A racist state has no rights at all, not even the right to defend itself."

3. "Now, Zionism is the national movement on which the state of Israel is based. When the U.N. majority declared Zionism is racism, it declared immoral the foundations of Israel. It is a short step from the proposition that Zionism is racism to the proposition that the state of Israel is based on aggression. Inside the U.N. many had already taken that step."

The Zionists and their supporters are endeavoring to whitewash the Zionist, racist and fascist regime of illegal occupation in Palestine by merely denying such a fact and by alleging that this is a form of anti-Semitism. These allegations are contradicted by the religious and political doctrines of Zionism and by the crime of Genocide and the War crimes and crimes against humanity which have been committed by the Zionist regime against the Palestinians in the areas occupied in 1948 forming 80% of the territory of Palestine, and in 1967 and thereafter in the newly occupied areas, namely the West Bank and Gaza.

THE RELIGIOUS DOCTRINE OF ZIONISM

The religious doctrine of Zionism is based on the Zionist claim that the Jews are "the Chosen People" and that the Jews of the World are being repatriated to their "Promised Land" in accordance with Biblical Prophecy. This preposterous interpretation of the Old Testament is contrary to the New Testament and to the teaching of Jesus Christ and his Apostles. The Zionists have been spreading this Canard, not only through their publications, but through many Christian mercenaries such as Jerry Fallwell, Pat Robertson, Randy Sager, John Walvoord, Adrian Rogers, Hilton Sutton, James Deloach and Chuck Smith, and through thousands of Protestant fundamentalist ministers who are on the payroll of the Zionists.

In order to justify their annihilation of the Palestinians, the Zionists are quoting some outdated verses of

the Old Testament. The following are only examples:

1. They quote Numbers 33:52-56 which state, "Then ye shall drive out all the inhabitants of the land from before you... But if ye will not drive out the inhabitants of the land from before you, then it shall come to pass that those which you let remain of them, shall be pricks in your eyes and thorns in your sides and shall vex you in the land wherein ye dwell".

2. "And they utterly destroyed all that was in the city, both man and woman, young and old, and ox, and sheep, and ass, with the edge of the sword." (Joshua, 6:21).

3. "And Joshua went up from Eglon, and all Israel with him, unto Hebron; and they fought against it." "And they took it, and smote it with the edge of the sword, and the king thereof, and all the cities thereof, and all the souls that were therein; he left none remaining, according to all that he had done to Eglon; but destroyed it utterly, and all the souls that were therein." (Joshua, 10:36-37).

Similar verses are quoted from Joshua 10 and 11 to demonstrate how the Jews destroyed the people of the land.

The Zionists quote also from the Talmud to justify the crime of Genocide they have committed against the Palestinians. The following are an example:

1. "And you shall drive out all the inhabitants of the land from before you. If you do this--it shall be good. If not--the waters shall come and inundate me and you." (Talmud, Sota 34a).

2. "And you shall drive out the inhabitants and then you shall inherit it, you will be able to exist in it. And if you do not, you will not be able to exist in it." (Rashi--Rabbi Shlomo Yitzchaki).

3. "When you shall eliminate the inhabitants of the land, then you shall be privileged to inherit the land and pass it down to your children. But if you do not eliminate them, even though you will conquer the land you will not be privileged to hand it down to your children." (Sforno--Rabbi Ovadiah ben Yaakov).

4. "If they make peace and accept the seven Noahide laws we do not kill them for they are tributary. If they agreed to pay tribute but do not accept servitude or accepted servitude

but not tribute we do not acquiesce until they have accepted both. And servitude means that they shall be humble and low and not raise their head in Israel. Rather they shall be subjects under us and not be appointed to any position over Jews ever." Maimonides (Hilchot Mlachim 6:11).

CLAIMED SUPREMACY BY THE JEWS

The Zionists claim that the Jews are a super nation above all nations. Their theory is not different from the Nazi Doctrine forged by Adolph Hitler, who was of part-Jewish origin, because he adopted the Zionist philosophy in dividing human beings into categories and grades in the ladder of humanity, in the same lines of the Zionist philosophy.

The Zionists quote a verse from the Old Testament to justify their supremacy and that they are a Holy Nation:

"Now therefore, if ye will obey my voice indeed, and keep my covenant, then ye shall be a peculiar treasure unto me above all people: for all the earth is mine." "And ye shall be unto me a kingdom of priests, and a holy nation. These are the words which thou shalt speak unto the children of Israel." (Exodus, 19:5-6).

In a book called Torah-Judaism and the State of Israel by Uriel Zimmer, published in London in 1961, page 12, it is stated: "The Jewish People, Rabbi Judah Halevy (the famous medieval poet and philosopher) explains in his 'Kuzari', constitutes a separate entity, a species unique in Creation, differing from nations in the same manner as man differs from the beast or the beast from the plant."

Asher Ginsberg, known as Achad Ha'am, one of the great philosophers of Zionism, stated in an article in the magazine "Am Scheidewege," published in Berlin in 1923, Vol. 2, p. 103, the following: "The steps on the ladder of creation are: minerals, plants, animals, human beings, and, at the very top, Jews."

The Zionist philosophy even goes further than that. They claim that the creation of a Jewish empire in the Middle East is the prelude to the Messianic era.

A Jewish writer from Tel Aviv using the name of David Cohen as his pseudonym wrote an article about "Israel's Law of Return," which was published in the Middle East International, July 1973, in which he states: "Underlying 'Israel's Law of Return' and its provisions is the assumption that the establishment

of the state of Israel signifies the fulfillment of a messianic promise and that the right of return is inherent in a divine law that transcends all other realities or historical processes. According to this view, Jews the world over possess a superior claim to the possession of the land of Palestine, and any injustice or suffering that is caused by Jewish settlement is of lesser importance than the act of reclaiming the Jewish People's historical inheritance."

Rabbi Dr. Jacob Bernard Agus, in his book, The Meaning of Jewish History, published in London, New York and Toronto, with a foreword by Dr. Salo W. Baron, Professor Emeritus of Jewish History, Columbia University, gives a glimpse of this Zionist programme according to Talmudic concepts. He states on page 218, the following: "Throughout all its discussions, the Talmud postulates a deep and abiding distinction between Israel and 'the nations of the world.'" On page 219, he states: "These fond fancies of the future portray all the nations of the world as rushing to be converted to Judaism, but it is asserted, the Jews will then refuse to accept them and they will become girim gerum, rejected converts. When the Messiah comes, 'All men will become slaves to Israel'."

The Babylonian Talmud, published by The Soncino Press in London, in 1938, states, on page 300: "...but the Messiah might come because the moment the Messiah comes all will be anxious to serve Israel." In the Note 4, after the word "serve," it is stated (4) Lit., 'slaves.'

This means, Mr. President, that the establishment of the state of Israel is supposedly a prelude to the Messianic era, when all the nations of the world will become slaves of Israel. This is the basis of the Zionist philosophy and will explain to the honorable members of the General Assembly why the Zionists want a Jewish state to be 100% Jewish because it must not be defiled by the presence of the Goyim: The Christians and Muslims.

The late William Zukerman, publisher of the Jewish Newsletter, New York, quoted in his book, Voice of Dissent, an article by David Eidelsberg, a well-known orthodox writer, published in the Morning Journal of April 7, 1950. Zukerman states: "According to Eidelsberg, Israel is now in the midst of a great scandal and faces a 'terrible' problem--that of hundreds of Christian wives married to Jews who have come over with their families to Israel in the rush of immigration, particularly from the Balkan countries. Eidelsberg is horrified by the fact that hundreds of such women have been smuggled into the new State without the knowledge of the authorities; they even continue to follow their Christian religion and practically nothing is done about this 'scandal.'...In the opinion of the writer, there are hundreds of such cases, of Christians and

converted Jews who have smuggled themselves into Israel and live there as Jews; and this has now caused one of the greatest scandals in Israel.

"The serious questions which are involved in this issue are painful to think about,' Eidelsberg says. Not only do these goyim, mahumadim and Nazi slaves...deprive our own flesh and blood from coming into the country, but...they can poison spiritually large portions of the settlement and create for it a terrible problem, which can become a tragedy for generations to come...After all, the Jewish land cannot be built on the 'liberal' assumption that a Christian who lives in Israel is just as good as a Jew. What will become of the face of the Holy Land and what will be its future, if such a theory were to become a practice? How will we know who is a Jew and who is a goy?...The Prophet Nehemia (lived 500 B.C. and led the Jewish exiles from Babylonia to Israel after the first destruction of the Temple and ordered the deportation of all non-Jewish wives of the settlers) personally endangered his life to deport from the country these perfect products of assimilation...Can we afford to import them?' Eidelsberg asks in a fury of indignation."

ZIONISTS BELIEVE THAT THE ARAB LANDS ARE THEIR PROMISED LAND

The Zionists quote a verse in the Old Testament in order to claim all the lands of the Arab Nations from the Nile to the Euphrates. They quote Genesis about the promises to Abraham:

"The Lord made a Covenant with Abram, saying, unto thy seed have I given this land from the river of Egypt unto the great river, the river Euphrates." (Genesis 15:18)

An article in the January Jewish Missionary Magazine, published in New York City in January, 1923, Vol. 3, No. 25, under the title, "Arabia, The Promised Land," states "that Jews believe the nation of Israel is to inherit the Arabian Peninsula, a region, if all Arabia is included, covering one hundred times the area of Palestine." A map was published with the Article under a title with Hebrew letters showing the territories to be inherited by the 'nation of Israel' which includes, in addition to Palestine, all the territories of the following States: Lebanon, Syria, Jordan, Iraq, Kuwait, Qatar, Bahrein, Saudi Arabia, the Sinai Peninsula and the Egyptian Delta.

For the above reasons, Zionists do not recognize what they have done to the Palestinians was an aggression or a wrongful act. They do not recognize their crime of Genocide against the Palestinians, but consider they are entitled to liberate "the land

of their ancestors from the Palestinian aggressors." The following statements are only a few examples:

1. The Jerusalem Post of October 29, 1967, reported a statement by Chief Rabbi Nissim, (originally from Baghdad, Iraq.): "The land of Israel is the heritage of every Jew and no religious or secular authority, including the Government of Israel, has the power to yield a single inch of it," Chief Rabbi Nissim stated last week in a halachic ruling. The Chief Rabbi was replying to queries submitted by a number of individuals and organizations regarding the halachic status of the occupied areas. Chief Rabbi Nissim cited the Rambam as his Chief authority."

"'Jerusalem and the land of Israel are holy to us,' Rabbi Nissim stated. 'The land was promised to us by the Almighty, and all the prophets foretold its return to us. Therefore, it is forbidden for any Jew even to consider returning any part whatsoever of the land of our forefathers.'"

2. The New York Times of January 5, 1968, printed a full-page advertisement signed by 100 Rabbis from leading cities throughout the United States in which they stated:

"Israel has inalienable rights to the Eretz Yisroel territories she won in the war forced upon her by the Arabs and their Soviet Communist allies. Israel's rights are supported by history, geography, and by international sanction....The historical bond of the Jewish people with the Land of their forefathers, the Land of the Bible, was thus given international sanction. The U.N., by approving the restoration of the Jewish State, confirmed this bond.

"There never was, in fact, an independent Arab State in Palestine."

"NO CONQUEST BUT LIBERATION"

"The Israeli soldier, forced into a war, entered the battle for the Land not as conquerors and occupiers, but as liberators. They liberated territories which had been forcibly occupied by Egypt and Jordan and they returned them to the rightful owner, the State of Israel."

EUROPEAN AND AMERICAN JEWS ARE OF KHAZAR ORIGIN AND HAVE NO ANCESTRAL CONNECTION WITH PALESTINE

Many people have been mislead by Zionist propaganda that the Jews who move to Palestine are "returning to the land of their ancestors." This Zionist claim is totally unfounded.

It is a fact that 90% of the Jews of today are of Khazar origin, who adopted Judaism in the ninth century A.D. The Khazars were living in the southern part of Russia, and they had a kingdom of their own. The majority of the Khazars were converted to Judaism. The Jews of Russia, central and eastern Europe, and America, are all of Khazar origin. Only the Jews who were living in the Arab world are of Semitic origin.

The European Jews who occupied Palestine and claim it as their land have no ancestral connection whatsoever with the Holy Land.

ISRAEL IS NOT A FULFILLMENT OF PROPHECY:
JEWS ARE NOT THE CHOSEN PEOPLE

In order to justify their occupation of the homeland of the Palestinians, the Zionists brainwashed many people in the United States with many myths and fallacies. One of these myths is that Israel is the fulfillment of prophecy. It is deplorable that some Christian fundamentalists and missionaries, either because of self-interest, corruption, or Bible misinterpretation--propagate and promote this fallacy.

The Talmudic interpretation of the Bible ignores the coming of Jesus Christ, and that the Biblical promises were fulfilled with the return of the Jews from Babylonian captivity. The Talmudists claim that Biblical promises were given to Abraham and his seed, and that they are heirs to that promise. This statement ignores the fact that the Arabs are also the seed of Abraham. Moreover, it ignores the interpretation of St. Paul, in his Epistle to the Galatians. In chapter 3, verse 14, St. Paul states: "That the blessing of Abraham might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith." In verse 16, St. Paul states: "Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is Christ." St. Paul sums up the subject in verses 26-29, as follows: "For ye are all the children of God by faith in Christ Jesus. For as many of you as have been baptized into Christ have put on Christ. There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in Christ Jesus. And if ye be Christ's, then are ye Abraham's seed, the heirs according to the promise."

It must be stated here that the Palestinians--Christians and Muslims--adore Jesus Christ. Jesus and His Mother are mentioned in many Suras of the Holy Koran with great veneration. This is in contrast to Talmudist Jews, who are "returning" to "The Promised Land" and spout against Jesus and His venerated

Mother the worst calumnies. They have rejected Him and still reject Him until now.

The Gospel of Saint John (Chapter 10, Verses 22-31) recounts how the Jews rejected Christ and stoned Him:

- 22 And it was at Jerusalem the feast of the dedication, and it was winter.
- 23 And Jesus walked in the temple in Solomon's porch.
- 24 Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly.
- 25 Jesus answered them, I told you, and ye believed not: the works that I do in my Father's name, they bear witness of me.
- 26 But ye believe not, because ye are not of my sheep, as I said unto you.
- 27 My sheep hear my voice, and I know them, and they follow me.
- 28 And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand.
- 29 My father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand.
- 30 I and my Father are one.
- 31 Then the Jews took up stones again to stone him.

That the Jews rejected Jesus as the Messiah and Son of God resulted in their no longer being a favored people. Christ denounced the Jews for following the scribes and Pharisees (Matthew 23:34-36):

- 34 Wherefore, behold, I send unto you prophets, and wise men, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from city to city;
- 35 That upon you may come all the righteous blood shed upon the earth, from the blood of righteous Abel unto the blood of Zacharias, son of Barachias, whom ye slew between the temple and the altar.
- 36 Verily I say unto you, All these things shall come upon this generation.

Christ told the chief priests and elders of the Jews that as they had rejected Him they were no longer entitled to the kingdom of God (Matthew 21:42-43):

42 Jesus saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvellous in our eyes?

43 Therefore say I unto you, The kingdom of God shall be taken from you, and given to a nation bringing forth the fruits thereof.

Those Christians, and especially those preachers, who have accepted the Zionist propaganda that the Jews are still a chosen people are in effect denying Christ themselves.

ZIONISTS ARE ERADICATING CHRISTIANITY AND ISLAM IN THE HOLY LAND

This is evidenced by the following facts:

1. The Zionists have destroyed over 100 Muslim Mosques, destroyed Muslim cemeteries, and Waqf properties (Religious Foundations). They have usurped over 60% of the Prophet Abraham's Mosque in Hebron and turned it into a Jewish Synagogue. They have covert plans to destroy Al Masjid Al Aqsa and the Haram area in Jerusalem and build the Jewish Temple.
2. The Zionists have destroyed many Christian Churches in Arab villages occupied by them and have desecrated Christian Holy places in many parts of Palestine since 1948.
3. The Zionists have carried on a campaign of persecution against Christian Foreign Churches (including American Churches) and have agitated against Christian missionaries and persecuted them.
4. The Zionists have prevented evangelists such as Billy Graham from preaching in Tel Aviv or Jerusalem. After renting a hall he had to cancel it because they would not allow him to mention the name of Jesus Christ.
5. Jerry Fallwell, leader of the immoral minority and close friend of the war criminal and terrorist Menachem Begin, is making over one million dollars profit a year by organizing pilgrimages to the Holy Land to meet important Zionist leaders in Palestine. When he goes there, he holds meetings in hotel rooms with closed-circuit television and nobody hears him or

watches him except for his followers. We challenge Jerry Fallwell to state that the Zionists allow him to mention the name of Jesus Christ in a public hall in Tel Aviv or Jerusalem.

THE CRIME OF GENOCIDE COMMITTED BY ZIONISTS
AGAINST THE PALESTINIAN PEOPLE

Zionist leaders committed the following War Crimes, Crimes against Humanity and Genocide, against the Palestinians:

1. 4,500,000 Palestinians have been deprived of their ancestral homeland by the Zionist invaders;
2. The Zionists violated the right of Palestinians to live as a people in their ancestral homeland and doomed Palestinians to live as refugees in exile, or under inhuman Zionist colonial domination;
3. Over one-and-one-half million Palestinian refugees subsist and survive on international charity, while Russian Jews, American Jews, Polish Jews, German Jews, and Jews of other nationalities live in the homes of Palestinians and usurp the fruits of the lands of Palestine;
4. Zionist terror organizations committed dastardly massacres against Palestinians during the British Mandate over Palestine;
5. Between 1948 and 1967 Zionist murderers and terrorists massacred thousands of Arab men, women and children;
6. From 1967 until today, thousands of Arabs were murdered in cold blood. Their bodies were incinerated by American-made napalm and phosphorous bombs and missiles;
7. Since June, 1967, over 750,000 Palestinians were expelled by the Zionist thugs from the West Bank and the Gaza Strip, and over 800,000 Palestinians are living in the newly-occupied areas under Zionist domination and oppression. Not one single day passes without Zionists expelling more Palestine families from the occupied areas;
8. In defiance of United Nations Resolutions, the Zionist authorities annexed the Old City of Jerusalem and its suburbs and expelled thousands of Palestinians. Zionists desecrated Christian and Moslem holy places in Jerusalem. Zionists are excavating under and

around Almasjid Al Aqsa, thereby endangering the building of this Holy Moslem Shrine. They are criminally planning to destroy Almasjid Al Aqsa and rebuild the Jewish Temple on its site;

9. At the present time, over two thousand Palestine Freedom Fighters are illegally imprisoned, detained, tortured and forced to live under the most inhumane conditions by their Zionist jailers.

In August, 1983, the Palestine Arab Delegation published an Indictment of Israeli Political and Military Leaders for Genocide, Crimes Against Humanity and War Crimes Against The Palestinians in the West Bank and Gaza. The following crimes were cited:

1. Inhuman Treatment and Abasement of Arabs
2. Brutality of Israeli Soldiers and Police Against The Palestinian Civilian Population
3. Attacks by Jewish Settlers on Palestinians In The West Bank and Gaza
4. Palestinian Detainees and Prisoners
5. Inhuman and Criminal Torture of Detainees
6. Torture of Palestinian Prisoners
7. Usurpation of Palestinian Lands in The West Bank
8. Demolition of Houses
9. Israeli Soldiers Attack Palestine Universities and Schools
10. Economic Destruction Of Palestinians In The West Bank and Gaza
11. Cultural Destruction And Persecution
12. Aggression Against And The Desecration Of Palestinian Holy Places
13. Palestinian Newspapers Are Heavily Censored, Sometimes Closed Down, And Journalists Are Detained
14. Expulsion of Leaders

THE CONCLUSION

1. The Israeli authorities, as shown by the facts submitted in this indictment, are guilty of Crimes against peace; War crimes; and Crimes against humanity as defined in Article 6 of the Charter of the International Military Tribunal, reaffirmed by the United Nations General Assembly through the unanimous adoption of Resolution 95 (I) on December 11, 1946.

2. The facts in this indictment show that the Israeli authorities are guilty of the Crime of Genocide and are punishable for that crime in International Law as defined in United Nations General Assembly Resolution 260A (III) unanimously adopted on December 9, 1948.

3. The facts in this indictment show that the Israeli authorities are in flagrant violation of the International Bill of Rights as defined in the Universal Declaration of Human Rights (1948); the Declaration on the Granting of Independence to Colonial Countries and Peoples (1960); the Declaration of the Elimination of all Forms of Racial Discrimination (1963); the International Convention of the Elimination of all Forms of Racial Discrimination (1965); the International Covenant of Economic, Social and Cultural Rights (1966); and the International Covenant on Civil and Political Rights (1966). These rights in fact became legal rights and the violation of these rights constitute War Crimes and Crimes against Humanity.

The United Nations Special Committee to investigate Israeli practices affecting the Human Rights of the population of the occupied territories submitted to the General Assembly this year a report of 145 pages (A/40/702 dated October 4, 1985) listing violations of the Human Rights and violations of the following freedoms:

1. Freedom of movement
2. Freedom of education
3. Freedom of association
4. Freedom of worship
5. Freedom of expression
6. Treatment of civilians
7. Treatment of detainees
8. Annexation and settlement
9. Economic measures
10. Expropriation

In addition to the crimes committed by the armed forces of the Zionist regime, the Jewish settlers in the West Bank and Gaza, who are now about 35,000, are all armed men and women and

they commit daily crimes against unarmed Palestinians. They commit murders, assault, arrest, detention and torture. The crimes committed against the Mayors of Nablus, Ramallah and Birah by placing bombs in their cars which maimed one and injured another has gained publicity worldwide. But their crimes against ordinary men, women and children are hardly mentioned in the world press. It is noteworthy that the majority of Jewish settlers and most of the extremist, Zealots and criminals are American Jews who migrated to occupied Palestine in the last 20 years.

No people in the world today are subjected to the Nazi-racist criminal methods of humiliation, persecution, intimidation, oppression, exile, imprisonment, detention, robbery, murder and annihilation except the Palestinians in the West Bank and Gaza. The Palestinians live in a concentration camp style. Palestinian families are being uprooted from their lands, rendered homeless, and Jewish colonies are established on these lands. Over 5,000 Palestinian young men and women are in prisons and camps, tortured and humiliated by Nazi-Zionist methods. Palestinian leaders are being exiled, tortured and humiliated. Palestinian men and women are being daily attacked or murdered by Jewish hooligans; university students are arrested, beaten, detained and universities closed down. Muslim holy places are being desecrated. Haram Sydna Ibrahim Alkhalil in Hebron has been turned into a synagogue. Excavations are being carried out under the Dome of the Rock, one of the holiest places of Islam, as a prelude to claiming the site for rebuilding the Jewish Temple.

Jerusalem Arab inhabitants are being forced to leave the Holy City. Arab lands in and around Jerusalem and in many parts of the West Bank are being usurped to build apartment buildings for Jews in order to complete the Judaization of the Holy City. The fascist Zionist leaders are doing everything to complete the annexation and Judaization of the West Bank and Gaza. Since 1981, the Likud authorities and the zealots of Gush Emunim intensified their activities in usurping a great part of Palestinian lands in the West Bank and the establishment of more Jewish settlements with U.S. tax-free funds supplied by the Jewish Agency. Establishment of Zionist settlements intensified during 1982-1985, and there are now 172 Jewish settlements in the West Bank and 19 Jewish settlements in the Gaza Strip.

THE CANARD OF SO-CALLED ISRAELI DEMOCRACY

Zionists and their lackeys in the United States Administration and Congress deceive world public opinion by praising democracy in the fascist, racist Zionist regime in Palestine. This is nothing but a canard. The Palestinians under that Zionist regime continue until today to be non-Jewish,

goyim, excluded from rights enjoyed by Jewish citizens. All the legal system and legislation since 1948 were devised for the benefit of Jews only. For instance, the Law of Return and Nationality Law give a Jewish immigrant from the U.S.A. or the Soviet Union rights exceeding those of Palestinians born in Palestine and whose ancestors lived there for centuries. Palestinian refugees living inside the Zionist regime are not permitted to return to their homes and villages, even where their present residence is only a few miles from their old homes. Palestinian lands are constantly expropriated.

Personal Freedom of Palestinians, their ownership of property, work, employment, travels, etc., are restricted by all kinds of capricious laws and regulations. They are constantly reminded that so-called Israel is a Zionist Jewish State and they are unwelcome, second-class citizens.

Zionist racism in occupied Palestine is more extreme than Nazi racism. In Nazi Germany, marriage between Jews and non-Jews was not favored. In the Zionist regime in Palestine, such marriage is prohibited by law. Even marriage between Jews is prevented if the Rabbis consider one of the parties is not a Jew according to Halacha (Jewish religious law). In October, 1975, there was a furor in Tel Aviv about the blacklist of Jews not allowed to marry.

The Falachas who were transported recently via the Sudan are experiencing the same difficulties and are demonstrating against the Chief Rabbinate who refuse to allow them to get married as Jews until they are converted newly.

In Nazi Germany, no Jew was prevented from buying or leasing a property from a German. In racist occupied Palestine, no Jew may sell or lease a property to a Palestinian Muslim or Christian.

Palestinians are expelled from their homes, robbed of their properties, persecuted, segregated and treated as second-class citizens. In this, Nazi Germany's treatment of Jews is similar to the treatment of Palestinians by the Zionist racist regime.

"Israel is a testament to the inability of men to live together", wrote Look Magazine Editor Robert Moskin in an article entitled "Prejudice in Israel" in Look Magazine of October 5, 1965.

The Council of the Sepheradi Community of Jerusalem in 1965 published a booklet entitled "Danger: Jewish Racism" in which it explained the plight of the oriental Jews in "Israel" and the discrimination and persecution they are subjected to by the European Ashkenazi Jews. It stated: "The oriental Jews are

victims of racial attitudes, Ashkenazi non-democracy, cultural genocide, discrimination in education, and appalling living conditions."

The Orthodox Jews are the dominant sect in "Israel". They persecute Reform and Conservative Jews. Reform and Conservative Jews are not permitted to have synagogues, or pray in public places in "Israel."

The political, legal, religious and social system in the "Jewish State" is based on racial and religious prejudice, discrimination, and fanaticism. The "Jewish State" was created for a special class of Jews, namely the Ashkenazi Orthodox Jews.

Jewish fanaticism, prejudice and discrimination against Christians and Muslims stem from the teaching of the Talmud which abhors Christianity and Islam. Christianity and Islam recognize the Old Testament and consider Bible prophets as their prophets and teach tolerance and neighborly treatment towards Jews.

The shocking language of the Talmud against Jesus Christ, His Mother, Christians and the Goyim in general has no parallel in its crudity, vulgarity and obscenity. American Jews are rightly demanding the purge of Christian books of offensive references to Jews. It is time that Christian leaders in America have the courage to demand reciprocity.

The Talmud teaches Jewish superiority and exclusivity. It teaches the theory of the "Jew-master race". The "Jew-master race" theory as practiced in "Israel" dictates that a pure "Jewish race" of the Orthodox Jewish sect must reign supreme in the "Jewish State" without being interfered with, or defiled, by the presence of the Goy (i.e. idolators or non-Jews), and without importing Reform and Conservative Judaism to "Israel."

The late William Zukerman, publisher of the Jewish Newsletter, sums up the Zionist doctrine of the "Jew-master race" in an editorial in the Jewish Newsletter of July 28, 1959, in which he states:

"A letter was written by a Christian mother of a mixed marriage, one of the many hundreds who have recently arrived in the country with their Jewish husbands and children. It was addressed to the religious deputies in the Knesset:

"'I beg of you, my dear sirs,' she writes, 'to answer whether there is a place in the sun for my child. Please tell me where there is a spot in the world for children who have suffered in Diaspora lands as Jews because their father is a Jew, and are being discriminated against in Israel because their mother is a non-Jewess? Why won't you recognize them as Jews just because

their mother is not a religious woman and does not want to be affiliated with any religious body?"

"The reply of the religious leaders lacks the warmth and human touch. It is cold, dogmatic, callous to the point of brutality and frightening for the depth of fanaticism it reveals. It reads in part:

"Mrs. Harnish has to understand that if her position as a mother is complicated, our position as a nation is still more so. If a person does not wish to be converted to Judaism he can select another place in the world to live. But for the Jewish people who want to preserve their historic character, there is no other place under the sun except Israel.

"We have come here to live our own life without interference from other people. We understand very well the anguish of Mrs. Harnish as a mother who is afraid for the fate of her child. But she too, has to understand us, and to understand means not to stand in our way, not to create new complications. No one will force Mrs. Harnish to convert her son to Judaism but if she wants that her son be treated on equal terms with Jews, she must make it possible for him to become a real Jew and a son of the Jewish people."

"ISRAEL FOR JEWS ONLY"

"In short, the leaders of the religious parties in the Knesset openly declare that Israel is a State for Jews only. The Jews have come there in order to live their lives in their own way and will not permit people of other faiths to interfere with that supreme aim. Those non-Jewish people who happen to be in Israel must either conform fully to Jewish life to the extent of embracing Judaism, or they must leave the country.

"The direct implication of this is a confirmation of the racist theory that mixing, blending or even co-existence of people of different religions and nationalities is not possible, nor desirable in Israel; that Jews and non-Jews will never be able to live in harmony; that the only solution to their problems is complete isolation. Israel must become another Ghetto, a one hundred-percent Jewish society as "Goyim-rein," as nationalistic Germany was "Juden-rein."

"With one difference: the test of the Master Race in Israel is religion, while in Germany it was race. The chauvinistic principle is the same. It is the principle of the monolithic state where one people, one race and one religion must reign supreme in the land without interference from "strangers."

"And this is the messianic 'ideal' of the religious leaders of a people who for 4,000 years have lived and 85% of whom

still live among 'strangers.'"

TESTIMONY OF FAIR-MINDED JEWS ABOUT
THE RACIST ZIONIST REGIME

1. Professor Martin Buber, the great Jewish philosopher and spiritual Zionist who believed in a bi-national, Arab-Jewish State, said the following in a public address in New York, not long after the First Sinai-Suez War: "THE MAJORITY OF THE JEWISH PEOPLE PREFERRED TO LEARN FROM HITLER RATHER THAN FROM US (SPIRITUAL ZIONISTS)...HITLER SHOWED THAT HISTORY DOES NOT GO THE WAY OF THE SPIRIT BUT THE WAY OF POWER, AND, IF A PEOPLE IS POWERFUL ENOUGH, IT CAN KILL WITH IMPUNITY..."

2. Professor Israel Shahak, Chairman of the Israel Civil Rights League and professor of chemistry at the Hebrew University of Jerusalem stated in an article published in Middle East Perspective entitled "The Racist Nature of Zionism and of the Zionist State of Israel:"

"It is my considered opinion that the State of Israel is a racist state in the full meaning of this term. In this state people are discriminated against, in the most permanent and legal way and in the most important areas of life, only because of their origin. This racist discrimination began in Zionism and is carried out today mainly in cooperation with the institutions of the Zionist movement.

"In the State of Israel, one who is not a Jew is discriminated against, only because he is not a Jew, in several areas of life--the first is the right to live, to dwell or to open a business in the place of his choice. Most of the land in Israel belongs to or is administered by the Jewish National Fund--JNF--which is an institution of the Zionist organization, and operates an admitted racist policy.

"It forbids non-Jews to dwell or to open businesses, and sometimes even to work on its lands, only because they are not Jews! Such policy not only enjoys here perfect legality (in contrast to a similar discrimination against the Jews which is illegal in most countries of the world) but is supported by all the instruments of the Israeli rule. In such a manner many whole towns were created in Israel, which are as the phrase goes "clean of Arabs" and this legally, or rather as we should say "clean of Gentiles (Goyim)."

"This racist discrimination is not connected with anything describable as "left" or "right" or "hawks" or "doves" inside the Zionist movement. On the contrary. The two most racist blocks in Israel are the Zionist "Socialists" and the

"National Religious," and the unholy alliance between them is based on their common support of racism.

"Zionism is worse than the Apartheid regime of South Africa. That regime has "divided" the country and has forbidden whites to buy land in a "black" area and forbidden the blacks to buy land in a "white" area. Zionism wants to "save" as much land as it can without any limit, in all areas of the "Land of Israel," and it turns the land that it "saves" into one big apartheid area in which human beings who were born of non-Jewish mothers have no right to live. I see no difference whether the apartheid-area was created by confiscation or by purchase. The most important fact is that it exists. Again the "moderate" Zionists were and are the worst in this respect."

3. Noam Chomsky, professor in M.I.T., wrote in November 5, 1985, an Introduction to a collection of articles from Jewish newspapers in occupied Palestine which were published by the DAT press in which he blamed the United States support for Israel and stated:

"These policies and the overwhelming support they have enjoyed here are a major factor in the growth of the Israeli chauvinism documented in the materials that follow, a development with grim potential for the region and, given the international context, the world.

"The impact of these dominant US attitudes is sometimes recognized within Israel. Col. Meir Pail, a well-known military historian and former director of the officers training school, condemns the "idolatrous cult-worship of a Jewish fortress-state" within the United States. American Jews, he writes, "have transformed the State of present course, the state is "doomed to become a complex compound of the racist state structure of South Africa and the violent, terror-ridden social fabric of Northern Ireland, an original contribution to the annals of 21st century political science: a unique kind of Jewish state that will be a cause for shame for every Jew wherever he may be, not only in the present, but in the future as well." He and other Israeli commentators have, quite accurately, invoked the analogy of Stalinism in describing the attitudes towards Israel in the United States, attitudes that in fact dominate reporting and commentary to quite a remarkable degree. Pail focuses his condemnation on the American Jewish community, a misunderstanding, in my view, typical of much Israeli commentary that fails to perceive the scope and the sources of the commitment here to an Israeli Sparta.

"The documents presented below describe some of the consequences within Israel itself of the military occupation that the US has supported. The occupation, in Meron Benvenisti's words, has institutionalized a "dull society...of master settlers and Palestinian slaves." "It is impossible to preach equality before

the law," Dani Rubinstein observes, "if there are factors in Israel's reality that act in an entirely opposite direction toward inequality by the law."

Professor Chomsky further states:

"It was not Kahane, but David Ben-Gurion, who expressed his views on the indigeous population in October, 1948, in the course of the army's land-clearing operations, in these words: "To the Arabs of the Land of Israel only one function remains-- to run away." Similarly, long before Kahane became a familiar figure, it was the American democratic socialist Michael Walzer who explained that since the indigenous inhabitants of the land are "marginal to the nation," their problems might be "smoothed" by the benevolent policy of "helping people to leave who have to leave," echoing the advocacy of "transfer" of the native population that has been a central theme of labor Zionism from the earliest years."

4. Rabbi Elmer Berger in critique of The Department of State 1981 Report on Human Rights stated:

"For more than thirty years of the existence of the State of Israel the Arab (Christian/Moslem) minority has been "governed" under "Laws" which the Mandatory power imposed on the country in 1945. They are known as the Emergency Defence Regulations. At a conference of Zionist jurists in Tel Aviv, in 1946, a resolution denounced the legislation in these terms:

The power granted the authorities under the emergency regulations deprive the Palestinian citizens of the fundamental rights of man.

During the conference's debate about the legislation, a prominent legal authority who would become a legal advisor to the Zionist government after the establishment of Israel said:

Even in Nazi Germany there were no such laws...(1)

In effect this legislation puts the Arab minority of the state under the control of the military. Although the Israeli courts have on occasion denounced the laws, such civil pronouncements are almost always ignored by the local, military commanders in the interests of "security."

In other words, the government of the Zionist state uses the 1945 Emergency Laws to violate the human rights of its Arab citizens."

QUOTATIONS FROM THE HEBREW PRESS TESTIFYING
ABOUT JEWISH RACISM

The following are quotations from the Hebrew press published in occupied Palestine in 1985 which testify that the majority of the Jews in occupied Palestine are racists:

1. Yedioth Aharonot, June 24, 1985. By: Yedioth correspondent.

59% OF RELIGIOUS YOUTH AGREE WITH KAHANE--SO
FOUND A POLL BY THE VAN LEER INSTITUTE.
ANOTHER FIND: 50% OF ORIENTAL JEWISH YOUTH
SUPPORT KAHANE.

59% of Religious Jewish youth and about 50% of Oriental Jewish youth agree with the opinions of MK Meir Kahane, the leader of the Kach Party. This was the conclusion reached by the editors of a poll taken by the Jerusalem based Van Leer Institute, kept secret until now.

The six hundred Jewish students between the ages of 15-18 who participated in the poll were asked two questions:

1) Do you agree or disagree with the opinions of the Kach Party or Kahane?

2) If elections would take place today, would you vote for the Kach Party?

Forty-two percent of those questioned indicated that they agree with the opinions of Kahane, but only 11.3% said that they would vote for him in elections.

2. Ma'ariv, 28 June 1985.

THE AILMENT OF THE STATE.

According to recent public polls, the Israeli high school student is a young chauvinist, he hates the Arab, he is filled with fears of the future, full of prejudices, intolerant, he seeks quick and easy solutions, disrespects human rights, yearns for an authorization leader independent of any party, and is willing to restrict democracy and freedom of speech. Rabbi Kahana merely broke into space void of ethical values, and rides on the rising tide along with teachers and even inspectors of the Ministry of Education.

High school students from the Arab village Tira, in Israel, arrived embarrassed but hopeful in Shederot, a Jewish development town, for a planned meeting with high school students. From the start, fears of confrontation with Jewish youth were

realized. The welcome was cool and even hostile. At the gate someone shouted at them: "You should all be thrown into the sea." In the classroom, only half the students waited for them. The teachers did not participate despite a clear request by the school headmaster. The meeting was organized by the Van Leer Institute, as part of their project on educating the youth to democracy and tolerance. It failed before it even began. Rabbi Kahana and his supporters at Shederot put pressure on the school to cancel the meeting. The religious local council joined in the pressures.

Shederot is not exceptional. According to a public poll made by Dr. Mina Tzemah for Van Leer, 40% (!) of the Jewish youth in Israel openly identify with policies of Rabbi Kahana. In other sectors the support is even higher and includes two thirds of the youth up to 18, for example, in the professional and religious schools.

Although only 11% declared that they would vote for Kahana (more than double the amount required to get into the Knesset) it is clear from similar research made by Van Leer and the Hebrew University (Dr. Gadi Wasselfeld and Dr. Hana Adoni), that the young Israeli Jew is a chauvinist, hates the Arabs, is filled with fears of the future, filled with prejudices, intolerant, seeks easy solutions, disrespects human rights, wants authoritarian leadership and is willing to restrict democracy.

Ori Geva, 30, works for Van Leer within the framework of the project and visits Jewish and Arab schools in the country. He considers as serious, the fact that many teachers support Kahana and openly encourage his extreme views.

THEY TELL ME I AM AN ENEMY OF THE STATE.

Tami Boneh, 17, a high school student in Jerusalem. "There are 40 pupils in my class, 38 of them support the views of Kahana. Only I and one other girl belong to the Left. It is terrible and sometimes even frightening. I have a good friend in class, but when we get into political discussions he doesn't hesitate to shout at me that I should be burnt alive together with the Arabs. We spend the first ten minutes in class everyday discussing the news. If there has been an event connected, with Peace Now or Arabs, harsh things are said in class. 'Enemies of the state, traitors, they should all be killed, they should be thrown into the sea.'

A TEACHER: IT IS POSSIBLE TO BE A
DEMOCRAT AND TO EXPEL ARABS, TOO.

"The students see no contradiction between democracy and the expulsion of Arabs. They have such a negative attitude towards Arabs that they refuse to learn Arabic" said a teacher from Ramat HaSharon at a teachers seminar held by the Ministry of Education and the Institution for Jewish-Arab Coexistence. In spite of the fact that the Minister of Education declared that education for co-existence should be a central aim in general education, this seminar showed that it would not be an easy goal to obtain.

THE ZIONIST-SOUTH AFRICAN AXIS

No Government or regime in the world has closer relations with South Africa than the racist Zionist regime in occupied Palestine. Both regimes are racist, illegitimate and infamous violators of Human Rights. They openly form an axis. The former South African Prime Minister Vorster visited the Zionist regime in April, 1976, and signed economic agreements. Prime Minister Botha visited Tel Aviv and Jerusalem in 1985 and signed secret agreements. It is well known that South Africa and the Zionist regime in occupied Palestine co-operate in arms research and production, in nuclear capability and make joint nuclear experiments. They coordinate and exchange intelligence and cooperate in their aggressive designs against the Palestinians, Zimbabwe and Namibia. The Zionist regime acts as an intermediary to circumvent any economic sanctions against South Africa. Many of the Fascist Zionist leaders in occupied Palestine are South Africans, and South African Jews contribute heavily to the Zionist regime.

THE UNITED STATES IS AN ACCOMPLICE BEFORE AND
AFTER THE FACT OF ZIONIST CRIMES

The United States proclaims its support for Human Rights. 100 Senators signed a letter to President Reagan requesting that he raises the question with the Soviet leader Gorbachev. 100 Mayors of United States cities did the same. It seems that United States Senators and Mayors under Zionist prodding are only concerned with the human rights of Jews, while they are aiding and abetting the Zionist war criminals commit their crimes against the Palestinians and other Arab nations. 80% of members of the U.S. Congress are Zionist stooges and the other 20% dare not oppose the Zionists. Zionist agents have infiltrated in the White House, Department of State and Department of Defense. They

control the policy thinking and policy making of the U.S. Government. Political observers in Europe, the Middle East and indeed throughout the world are shocked to see that the U.S. has become a Zionist dominated nation. The U.S. has no will of its own. President Reagan is fond of stating that the U.S. stands tall and is a proud nation. Unfortunately, the United States in the eyes of the world stands small and meek under Zionist domination. The United States is no more a champion of Human Rights, a champion of the right to self-determination of peoples, a nation with free will to live up to its position as a leader of the Free World, but has become a Zionist satellite nation.

Mr. President,

The facts submitted to the General Assembly warrant that the General Assembly adopt another resolution in this session declaring what was suggested in the essay of the former U.S. Ambassador to the United States, Jeane J. Kirkpatrick:

1. That so-called Israel is a threat to international peace and security because it occupies a part of Syria, a part of Egypt, and the patrimony of the Palestine people, and waged war on Lebanon and still occupies a great part of Southern Lebanon.
 2. That so-called Israel is an illegitimate state based on an illegitimate philosophy.
 3. That in view of the fact that so-called Israel committed War Crimes, Crimes against Humanity and Genocide against the Palestinian and Lebanese peoples, therefore, it is an outlaw regime unworthy of membership in the United Nations.
 4. The General Assembly should send instructions to the Security Council to form an International Force under Chapter VII of the Charter to disarm the Zionist regime and solve the Palestine problem by helping the citizens of Palestine, Muslims, Christians and Jews to establish a Holy Land State with no army, navy or air force, only a small police force, and be open for pilgrimage of Muslims, Christians and Jews throughout the world.
- This is the only way to a just and permanent peace in Palestine and the Middle East. The sham peace process conducted by the United States and the empty offers of peace by the Zionist War Criminals are made to force the Arabs to recognize Zionist sovereignty on 80% of Palestine occupied in 1948 and enable Zionists to annex the remaining 20% of Palestine occupied in

1967 under the guise of sham self-government, joint dominion or other ideas concocted by the Zionist War Criminals and thereby legitimizing the crime of Genocide committed against the Palestine People.

This material is filed, under the Foreign Agents' Registration Act with the Department of Justice where the required statement of the Palestine Arab Delegation, as an agency of the Arab Higher Committee for Palestine, is available for inspection. Registration does not imply approval of this material by the United States Government.
